PETITIONING THE COURT

To modify the conditions of supervision as follows:

27. You shall not reside or loiter within 500 feet of places where children congregate, which includes playgrounds, primary and secondary schools, city parks, daycare centers, and arcades. This condition shall supersede special condition number 21.

CAUSE

On November 29, 2013, Mr. Shippentower commenced his term of supervised release in the Eastern District of Washington. On December 2, 2013, he reported for an office visit and requested to move to his brother's home in Toppenish, Washington. The proposed residence is approximately 700 feet from a secondary school, in violation of special condition number 21, which prohibits him from residing within 1,000 feet of a primary or secondary school. The residence appears to be a good location for the defendant, as it is within walking distance to treatment centers and public service agencies. It should be noted the defendant's brother is currently employed with the Yakama Nation Housing Authority.

Based on the above information, this officer recommends the defendant's conditions of supervision be modified, as noted above. Contact with the government and defense counsel revealed they had no objection to this officer's request. Enclosed is a waiver signed by the defendant agreeing to the proposed modification should Your Honor concur.
